

DOWNTIME: ACCELERATED TRAINING

BASTION OF LEARNING AND DISCIPLINE, THE TEMPLE OF KNOWLEDGE STANDS AS A SANCTUARY FOR THOSE WHO SEEK mastery beyond the ordinary. Here, every skill is a pursuit of perfection. Be it the grace of a dancer's step, the precision of a forged blade, or the depth of arcane wisdom. Masters of every art dwell within these walls, ready to instruct... for a price. Knowledge here is not freely given; it must be earned through patience, perseverance, and no small measure of gold.

EXPANDING YOUR HORIZONS

Adventurers who seek to learn beyond their class limitations can do so through **Focused Training** at the Temple. However, these opportunities come at a significant cost in **time** and **gold** for true mastery is never cheap.

HOW DOES TRAINING WORK?

Training requires **dedicated downtime**, monetary investment, and passing a **skill check** to represent the time spent learning.

DURATION & DIFFICULTY

Category	Duration
Tools	1 month
Language (standard)*	2 month
Language (exotic)*	3 month
Weapon Proficiency	2 months
Skill proficiency*	3 months
Feat*	3 months

- *Languages are limited to **1+Int modifier** (minimum of 1)
- **Skill proficiency and Feats can only be taken **1 time** per character

SKILL CHECK

At the end of the downtime you need to do a skill check based on a relevant skill of DC = **13**.

If you fail this skill check you would suffer a **consequence**.

COSTS

Training isn't free. The Temple charges for resources, tutors, and facilities.
